Warwick Abbott

Senior Advisor.
30 years' experience. Retirement guru.

You're in safe hands with Warwick.
He brings a calmness and surety to his role when you need it most; drawing on lived experience having navigated defining moments like the GFC in '08 and high interest rates of the early 90s.

For him it's simply about helping clients live their best life, no matter the circumstances. He certainly sees age as no barrier, which is why he is particularly passionate about equipping retirees to take charge of their finances and make the most of their '20 year holiday'.

“Money should be no more than a tool to make your life easier and happier. It’s my role to not only maximise your wealth, but to help you keep that perspective.”

Matthew Rea, CFP®

BA Commerce, Deakin

Senior Advisor.
Cashflow crusader. Fierce competitor.

Matt likes to see people achieve their financial and life goals. He wants them to come out on top, particularly in helping free up that all important cashflow to live the life they want (he’s pretty strong on this one).

He’s naturally competitive and driven, which is great for clients in inspiring them to take control of their finances and go for their dreams, but not so good for the Tribe when playing him in a game of office table tennis or out on the golf course.

The financial advice process

We recognise that the objectives and personal circumstances of each client are different.

What is right for one client may not be right for another.

Where we provide personal advice, we will listen to you to understand your objectives and circumstances. We will also ask questions to make sure we address all issues.

When we first provide personal advice to you it will be explained thoroughly and documented in a Statement of Advice which you can take away and read.

The Statement of Advice will explain the basis for our advice, the main risks associated with the advice, the cost to you of implementing the advice, the benefits we receive and any conflicts of interest which may influence the advice.

For managed funds and personal risk insurance we will provide you with a Product Disclosure Statement. This contains information to help you understand the product being recommended.

At all times you are able to contact us and ask questions about the advice and investments recommended.

You can provide instructions to us in writing, via phone or via email. Please note you are responsible for ensuring your instructions do however reach us.

We may provide further advice to you to keep your plan up to date for changes in your circumstances, changes in the law and changes in the economy and products.

If we provide further advice it will typically be documented in a Record of Advice (RoA) which we retain on file for at least seven (7) years, which can be requested at any time.

Our fees

‘My Good Life’ Plan Preparation Fee (Initial Advice Fee)

The Plan Preparation fee includes all appointments with you, our research of your current circumstances and financial products, discovery of your goals and ambitions, the time we take to determine our advice, and the production of the Statement of Advice (SoA) that documents our advice to you. The fee is based on the scope and complexity of advice to be provided to you.

We will agree the fee with you at our first appointment. The fee we quote will be consistent with our obligations to only provide advice that is in your best interests and that meets our ethical obligations of representing fair value.

There are three types of solutions that we may provide to you in the initial phase. These may be provided as a stand-alone solution or combined to meet your needs. All fees are inclusive of GST.

Statement of Advice (SoA) including implementation: From \$5,500

Ongoing Service Fee (Ongoing Advice Fee)

Once your recommended strategies are established and implemented, our clients typically request an ongoing advice relationship to ensure they stay on track to achieving their Good Life.

Ongoing fees will depend on what ongoing service we provide to you. They are usually an agreed fixed fee that cover 12 months and are paid monthly to make it easier on your cash flow. The exact services and fees will be discussed and agreed, then confirmed with a Letter of Engagement.

Your investment in our ongoing advice services starts from \$550 and ranges to \$3,300 inc GST per month depending upon the complexity of your situation and the value that we can provide to you. Ongoing advice fees are based on each client’s requirements and may vary. Please note that in certain circumstances we may need to charge outside of the fee range, based on the client’s requirements. We renew the terms of engagement with you annually to ensure they remain fair.

Our fees (continued)

Non-Monetary Benefits

We keep a register detailing certain non-monetary benefits that we receive from product providers e.g. benefits valued up to \$300, and those that relate to genuine education or training and technology software or support.

Fees

All fees are payable to My Dedicated Advisory Pty Ltd and passed onto Tribeca Collective Pty Ltd trading as Tribeca Financial. Your financial adviser is paid a salary and may receive a performance bonus which is based on a number of key performance indicators across the business. Robert Devlin is an owner of Tribeca Collective and may share in any profits that the practice makes.

What commissions do we receive?

Insurance Commissions

Tribeca Financial usually receives a one-off upfront commission when you take out an insurance policy we recommend. This initial commission ranges between 30-66%.

We may receive commissions on increases or additions to existing policies put in place before 2018 of up to 130%, and between 88% to 66% for policies written after that time.

We also receive a monthly commission payment of 22% for as long as you continue to hold the policy (after the first anniversary of policy).

For example, if your insurance premium is \$1,000, we may receive up to \$660 from the insurer upfront and \$220 p.a. paid monthly but it is at **no additional cost to you**.

You will be advised of the exact amount in the SoA or RoA before proceeding with our advice, and each recommendation that we make will be in your best interests as required under the law.

Business Interest

RYAR Group Pty Ltd has a referral arrangement with Canopy Private Pty Ltd trading as Flint, to provide mortgage broking services.

When you take out a loan or refinance with Flint, RYAR Group Pty Ltd will share in 20% of the upfront and ongoing commission from the loan. E.g. If Flint is paid \$5000 upfront and \$1000 ongoing for a home loan, then we will receive \$1000 upfront and \$200 ongoing as part of this arrangement.
